COMMENTS

Town of Franklin

March 1, 1977 to March 1, 1978

An audit has been completed of the financial records of the Town of Franklin for the fiscal year ended March 1, 1978. This audit included an examination of the records maintained by the Assessors, Selectmen, Treasurer, Tax Collector and Town Clerk.

The examination included a review of cash transactions as well as an analysis of available funds and expenditures. The result of the year's operation of the departmental accounts revealed that available funds exceeded expenditures by \$589.25.

Unexpended	\$ 10,118.30
Overdrafts	<u>9,529.05</u>
	\$ 589.25

Assets

The cash balance of \$34,812.79 was reconciled with the bank statements furnished by the Union Trust Company, Ellsworth, Maine.

Other assets, including accounts receivable, taxes, tax liens and tax acquired property were reviewed. Unpaid accounts were reconciled with the balances shown on the records of the Selectmen.

Liabilities

Total general fund liabilities amounted to \$6,971.42 which represented accounts payable of \$6,133.34 and \$838.08 due Trust Funds.

Reserves and Surplus

The appropriation accounts reflect unexpended balances of \$8,693.21 which are being carried forward to the ensuing year.

The unappropriated surplus amounted to \$21,147.28 as compared with \$26,381.94 at the close of the prior year. An analysis of this change is shown on Exhibit E.

Scope of Audit

Count of cash was made and records checked to determine the accuracy of recording cash transactions. The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern. Receipts, vouchers and cancelled checks were examined for a selected period and major increases or decreases in revenue or expenditures over previous years were explored.

The fidelity bonds of the various Town officials were examined and found in order.

Revenue attained from the excise taxes was checked with the receipts retained by the Collector and found to be accounted for and properly recorded.

Vouchers and payrolls were examined in part and those examined appeared to be proper charges to the accounts involved.

Various laws pertaining to the fiscal operations of the municipality were reviewed to determine that related financial transactions were properly administered.

Included in this report are exhibits and schedules pertaining to the financial status of the Town. Audit procedures were followed to the extent deemed necessary to develop these statements.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial position of the Town at March 1, 1978, and the result of its operations for the year then ended.
